Each request must be mailed separately, and must be original and handwritten. No mechanically reproduced, computer generated or photocopied requests permitted. All such requests will be void, and will not be fulfilled. Sponsor not responsible for lost, late, misdirected, illegible, incomplete, damaged, mutilated, or postage due mail or requests.

Scratch Card game pieces or Vegas Vacation PIN Codes obtained outside authorized and legitimate channels will be void and are ineligible for any prize redemption.

Part I – Scratch Card Game Piece (Chance to Instantly Win \$25,000 Cash):

NOTE: Scratch Cards MUST be scratched in the presence of a Contest Administrator (representative/witness from the contest sponsor). Any scratch card not scratched in the presence of a contest administrator is void.

Certified affidavits and recorded statements may be required of the contest administrator and any witness to verify that all contract terms and conditions have been met. In the event of a claim, a polygraph test (at the expense of the sponsor) given by a professional polygraphist may be required of anyone involved in this promotion to further verify any claim. A polygraph test which reveals any fraudulent activity or any non-compliance with any terms and conditions may result in a claim denial.

How to Play: Gently and carefully remove the scratch off surface from a maximum of any six (6) of the thirty (30) available squares in the scratch off section of the game piece to reveal the symbol printed in the square under each selected scratch off surface. **Game piece is void if more than (6) squares are scratched in any manner, in whole or in part. Important: Removing, scratching, marking or damaging the scratch off surface in whole or in part, in any manner for any reason, from more than six (6) of the thirty (30) available squares in the scratch off section of your game piece will automatically void such game piece.**

Beneath each scratch off surface will be printed a game symbol. The grand prize winning game symbols for this contest are as listed and identified on the Scratch Card game piece. Any other symbol or image revealed other than a designated “winning” symbol will constitute a non-winning symbol. If an eligible contestant has successfully removed the scratch off surface from only a maximum of (6) squares, to reveal the (6) grand prize winning symbols, (without damages, marking or removing the scratch off surface from any other square in any manner) that contestant will be eligible to claim the grand prize subject to approval, verification of your game piece and your eligibility, and compliance with the terms of these official rules. If a contestant reveals a non-winning symbol or has scratched, marked or damaged the scratch off surface of more than 6 squares in any manner, their scratch card game piece is void.

Important: If the scratch off surface covering any of the (24) squares printed with a non-winning symbol are wholly or partially scratched, removed, or revealed in any manner for any reason, or if the scratch off surface covering a non-winning square has been damaged or tampered with in any manner, the game piece is void and not eligible for any grand prize claim. Any additional marks, scratches, damage, tampering or pin holes on the scratch off surface of any non-winning square will void the game piece, and will disqualify any eligible prize claim or prize redemption. If the symbol beneath the scratch off surface has been damaged, destroyed, made illegible, altered, manipulated or removed in any manner, for any reason, then the game piece is void, and will not be eligible for prize redemption. Scratch cards received in a condition with any scratch off surface or squares that are scratched, damaged, marked or revealed in whole or in part are void, and not eligible for any grand prize claim, and may only be redeemed for a replacement card.

All game pieces submitted for prize redemption are subject to verification and approval prior to prize award. Game pieces presented for prize claims must be the original game piece. Game pieces that are damaged, destroyed, lost, mutilated, duplicated, fraudulent, forged, altered, copied, hand printed, water damaged, manipulated or tampered with in any way, or which are defective in any manner, or that contain any computer programming, printing, production, mechanical, typographical errors or errors in production, or other errors of any kind, will be considered null and void and will not be eligible for prize redemption. Contestants in possession of a defective game piece may only receive a replacement game piece in exchange for defective card.

Sponsor’s liability for any game piece received by a participant in a condition with any scratches, marks, pin holes or damage to any portion of a scratch off surface that covers a square (whether it is fully or partially revealed) is limited to replacement with another game piece, while supplies last. However, replacements will not be issued for any game pieces deemed void as a result of acts by the entrant, including but not limited to forgery, mutilation and tampering. Any error, omission or defect in printing, production or seeding that changes the odds of winning on any game piece will render all such game pieces void.

Scratch Card Grand Prize Award & Odds of Winning:

Each scratch card game piece is a potential grand prize winner, based upon correctly scratching only the (6) squares covering a winning symbol according to the requirements outlined in the Official Rules. Odds of correctly scratching the 6 of 30 squares to reveal the (6) winning symbols are 1:593,775.

If any eligible contestant successfully removes the scratch off surface covering only the (6) grand prize winning symbols, as required by these Official Rules, that contestant will be eligible to claim the grand prize subject to verification and approval according to these Official Rules. The scratch card grand prize is: **\$25,000 Cash.**

A maximum of one (1) scratch card grand prize will be awarded, to the first eligible contestant who submit a valid prize claim as required by these official rules. Prize will not be awarded until verification of eligibility and compliance with Official Rules.

In the event that multiple eligible claimants submit an eligible, valid and non-suspect Grand Prize winning game piece on the same day, a random drawing will be held from among all such eligible participants to determine the Grand Prize winner. Only the first validly claimed prize will be awarded, subject to verification of eligibility, game piece and compliance with the terms of these official rules. Any unclaimed prize will not be awarded. In the event that no eligible contestant successfully removes the (6) of (30) scratch off surfaces covering the grand prize winning symbols during the Sweepstakes Period, then the scratch card grand prize **will not** be awarded.

All income, federal, state and local taxes are Grand Prize winner's sole responsibility. All prize awards are non-transferable and no cash redemption or prize substitution allowed, except at Administrator's sole discretion or as provided herein. Administrator reserves the right to substitute a prize of comparable or greater value, at its sole discretion.

Released Parties are not responsible for lost, late, misdirected, illegible, incomplete, invalid, unintelligible, or damaged entries or PIN Codes, for entries or PIN Code redemptions submitted in a manner that is not expressly allowed under these rules, for any entry PIN Code redemption not submitted or received due to any technical error or failure, human or programming errors, unauthorized human intervention, inaccurate capture or incorrect entry of any required information, the failure to capture any such information for any reason, the acts of hackers or the failure of any electronic equipment, computer transmissions and/or network connections; all of which will be disqualified.

Each participant must submit an entry on his/her own behalf. Any entry submitted on behalf of another individual or using another person's email address or name will be disqualified and ineligible to claim any prize. Any attempt by any participant to obtain more than the stated number of entries allowed by using same, multiple/different email addresses, identities, or any other methods void that participant's entries and that participant will be disqualified. No mechanically reproduced or automated entries permitted. Use of any automated system to participate is prohibited and will result in disqualification and all such entries will be deemed void.

In the event of a dispute as to any on line registration, the authorized account holder of the email address used to register will be deemed to be the registrant and he/she must be eligible according to these Official Rules. The "authorized account holder" is the natural person assigned an email address by an Internet access provider, online service provider or other organization responsible for assigning email addresses for the domain associated with the submitted address. All entries received become the property of the Sponsor and will not be returned.

2nd Chance Vegas Vacation Sweepstakes Prize Drawing – Winner Selection & Notification: On [or about] **9/15/2018**, a random drawing will be held from among all eligible 2nd Chance drawing entries received to select a total of one (1) potential 2nd Chance Drawing Vegas Vacation grand prize winner. **Odds of being selected as the 2nd Chance Drawing grand prize winner are dependent upon the total number of eligible entries received.**

The decision of the Administrator in the selection and determination of winner and, all matters relating to this Sweepstakes, are final and binding. The potential winner will be notified initially by phone beginning on or about **9/15/2018**. If the Administrator is unsuccessful in its attempts to reach and speak directly with the potential winner by phone after three attempts over a 48-hour period to the phone number(s) listed on that potential winner's entry, then that potential winner may be disqualified and, at Sponsor's discretion, an alternate winner may be randomly selected from among the remaining eligible entries and notified as per the procedures outlined above (time permitting).

During the winner notification phone call, the potential winner must confirm his/her eligibility, and indicate his/her willingness to accept the 2nd Chance drawing grand prize (see below). The winner will then receive official notification via certified or overnight mail delivery. If a selected potential prize winner does not meet the eligibility requirements, is unable or unwilling to accept the prize, or elects to decline the prize, he/she will be disqualified and, at Sponsor's discretion and, time permitting, an alternate winner will be randomly selected from among all remaining eligible entries and notified as per the procedures outlined above. Any disqualified winner will not receive any alternate prize substitution or compensation.

Departure dates and times are subject to availability and at the sole discretion of the Sponsor. Certain restrictions and black out dates may apply. Winner and his/her guest must travel together on the same itinerary. Any changes to completed travel arrangements, once booked, are the sole responsibility of the winner, and are solely at the winner's expense.

All additional transportation charges, airport transfers, meals, gratuities, service charges, applicable taxes (including, but not limited to all local, state and federal taxes) and any other expenses not specified herein as being included in the prize are the sole responsibility of winner. **Maximum retail value ("ARV") of each grand prize Las Vegas trip not to exceed: \$1,000.00.** Actual value will depend on point of departure and any airfare fluctuations.

Travel guest must be 18 years of age or older. All travel guests will be required to execute and return a liability/publicity release prior to prize award. Any tickets are subject to terms and conditions as specified by issuing carrier or venue.

Grand Prize Dice Roll Contest Event: Each Vegas Vacation grand prize winner will be required to attend the VIP Finalist Party in order to participate in the Grand Prize Dice Roll contest event in Las Vegas, NV. All winners shall attend and participate in the same grand prize event. The exact date, time and location of event will be provided to each finalist prior to their departure (*scheduled for 11/4/2018*). If any finalist fails to be present at the designated event date, time and location, they will be disqualified from the Dice Roll Contest Event, will not receive any replacement attempts or prize substitution or compensation, and will not be eligible to claim the Dice Roll Grand Prize.

During the Grand Prize Contest Event VIP Finalist Party, each designated finalist (*finalist guests are excluded from participation*) will have one opportunity to participate in the Dice Roll contest for the chance to win the Dice Roll contest grand prize as described below. In order for a grand prize to be awarded to an eligible finalist, the finalist must print and sign their full name on the first unoccupied line of the provided official finalist registration form prior to their dice roll attempt. The eligible finalist must then roll all **5** custom dice provided by Sponsor and have each die come to rest with the predetermined area winning side face up. The winning symbols for this contest are: **L – U – C – K – Y**.

The following requirements will apply to eligible dice roll attempts:

- All dice roll attempts must occur in the presence of the contest administrator(s), and must be recorded on video tape in its entirety. Any dice roll attempt not in the presence of the contest administrator, or that is not video taped, for any reason will be disqualified and is not eligible for the grand prize;
- Finalists will not be permitted to take any practice or warm-up tosses prior to their attempt. Once a die has been rolled, their attempt is considered to be started.
- **Each eligible finalist must roll all 5 dice all at one time.** Finalists may not attempt to change the outcome of any rolled die, by hitting the die with a subsequent roll attempt;
- Each die must be tossed in a completely random manner that does not allow the finalist to "set" or "slide" the dice, alter or influence the random outcome of the roll;
- **Each die must be rolled a minimum of 2-feet in distance from the finalist**, in order to prevent the finalist from altering, affecting, influencing, or enhancing the random outcome of any roll. The contest administrator will designate the demarcation line that each die must cross during the roll;

- All dice must come to rest lying flat;
- All dice must land on and remain on the designated dice rolling surface;
- No rolled die may come in contact with any person or object other than the designated rolling surfaces or walls.
- If any die comes in contact with another person or object (other than the dice roll surface or designated walls or backstop) for any reason; or if any person or object in any way interferes, alters, changes, influences or affects the random outcome of the roll, then the entire attempt is disqualified and the finalist may not receive another attempt.

The following will result in the finalist being required to re-roll their entire dice roll attempt:

If any of the following outcomes occur, that dice roll attempt is disqualified and the finalist will be granted a maximum of one reroll attempt (the finalist must reroll all **5** dice):

- If the contest administrator deems that any die has failed to cross the dice roll demarcation line;
- If any die is leaning in any manner;
- If any die leaves the designated dice roll playing surface;
- If any finalist inadvertently drops a die as they are preparing to roll, and the dropped die does not meet the eligible dice roll requirements as stated in the contest rules.

In all circumstances, an eligible finalist may have a maximum of one reroll attempt. In the event of a second ineligible dice roll, their entire dice roll attempt will be disqualified and the finalist will not be eligible for any prize claim regardless of the outcome.

Odds of an eligible finalist successfully rolling the 5-dice to claim the Dice Roll grand prize are 1:7,776. In the event of a successful dice roll attempt, the corresponding finalist will be awarded the Dice Roll grand prize subject to verification of compliance with these Official Rules. The Dice Roll grand prize is: **\$1,000,000 40-year annuity, payable in 40 equal annual installments of \$25,000 Cash without interest, on or about the annual anniversary date of the 1st installment. If awarded, the first installment will be received by the eligible finalist within approximately 4-weeks of verification of eligibility and compliance with these official rules.**

A maximum (1) dice roll contest grand prize will be awarded. In the event of multiple eligible winning attempts, then each winning finalist will equally split the cash value of the grand prize. In the event there is no finalist who successfully completes the Dice Roll grand prize winning requirements according to these official rules, then the Dice Roll grand prize will not be awarded.

If due to printing, production, seeding, typographical, human or other errors of any kind, the number of valid prize claims received at any prize level exceeds the number of prizes advertised or intended prizes to be awarded at that level, as stated herein, the Sponsor reserves the right to conduct and award the stated number of prize awards for that level in a random drawing from among all valid, non-suspect prize claims
